

INTERNATIONAL FOOD & AGRIBUSINESS MANAGEMENT REVIEW

Submission Instructions

Preparing Your Final Manuscript for Review

Important - Please Read

Authors should follow these formatting guidelines in order to streamline the submission process. You will need to save the First Page as a separate document for the upload process.

First page: Title Page. This page should include:

1. Title of the manuscript
2. Contact author, first and last name
3. University/organization and department
4. Mailing address
5. E-mail address, and phone/fax number
6. Provide the same contact information for each co-author.

The person submitting the manuscript will be the primary contact person and receive all of the communications regarding the submission, including the decision letter. In order to ensure anonymity throughout the review process, no reference to the authors or their affiliation should appear in the file properties or subsequent pages other than the Title Page.

Second and subsequent pages (Body of the manuscript.): **Please insert line numbers into the WORD version of your manuscript.** This enables our reviewers to easily reference sections of your paper.

General formatting instructions

File Format: MS Word or PDF (portable document format) You will be uploading the file during the submission process.

Spelling: please follow consistently either a Standard United States or Standard United Kingdom English spelling.

Paper size: standard 8.5" x 11" letter-size is preferred; orientation: portrait; margins 1 inch, no gutter.

Font: Times New Roman 12-point. Please use 14 pt font for all headings and sub-headings, do not number them.

For complete formatting instructions please see: [IFAMR Guidelines for Contributors.](#)

Click the link [**Submit Articles Here**] : https://editorialexpress.com/cgi-bin/e-editor/e-submit_v7.cgi?dbase=ifamr. And you will be guided through a 6 step submission process.

Once you've initiated the submission process, authors must supply the following information, so it is easier if you prepare this information in advance before you start the submission process:

- a. Author contact information
- b. co-author contact information
- c. manuscript information.
